

Attorney's Docket No.:10559-857001

REMARKS

Reconsideration and allowance of the above-referenced application are respectfully requested.

Claim amendments are presented herein to obviate the current rejection.

Claim 1 has been amended to incorporate features of claim 10 which was indicated as being allowable (but was objected to as being dependent upon a rejected base claim). Claims 19 and 27 are variations of claim 1, as amended herein, containing "means" type claim language. Therefore, claims 1, 19, 27 and their respective dependent claims should be allowable. (In addition, previously withdrawn claims 13-28 have been deleted).

It is believed that all of the pending claims have been addressed in this paper. However, failure to address a specific rejection, issue or comment, does not signify agreement with or concession of that rejection, issue or comment. In addition, because the arguments made above are not intended to be exhaustive, there may be reasons for patentability of any or all pending claims (or other claims) that have not been expressed. Finally, nothing in this paper should be construed as an intent to concede any issue with regard to any claim, except as specifically stated in this paper, and the amendment of any

claim does not necessarily signify concession of unpatentability of the claim prior to its amendment.

Kindly change the Attorney Docket Number for this matter to: 10559-857001/P17305.

Applicant asks that all claims be allowed. Please apply any charges or credits to Deposit Account No. 06-1050.
